

**CANDIDATE FOR CITY COUNCIL MEMBER  
CITY OF TWENTYNINE PALMS**

**NAME: CHRISTOPHER J. CURTIN**

**AGE: 41**

**OCCUPATION: Builder**

I attended 12 years of private school. I attended Atlantic Community College. I have been self-employed as a builder for more than 20 years. I am raising my two young sons.

My goal is to make a positive impact on our community. I intend to work to create economic and commercial development, which will provide our community with needed goods and services. This development should create hundreds of jobs and enormous tax dollars.

I believe the future of Twentynine Palms lies within our youth. When elected I will donate my entire salary to youth organizations in our community. I want to work to create programs to keep our children focused on school and free from drugs and gangs.

Twentynine Palms has become a favorable location for retirees. I want to focus tax resources to implement additional services and programs for seniors.

I would support measures to improve our roads and infrastructure. And we need to properly manage residential growth. I will use my 20 years of experience as a builder to contribute to this management.

Twentynine Palms deserves a proactive, strong leader, with your support, let's enhance our communities future.
